

**COLLEGE OF MEDICINE
Internal Departmental Posting**

Bids will be accepted until position is filled.

<u>JOB TITLE</u>	<u>DEPARTMENT</u>	<u>GRADE</u>	<u>JOB BID#</u>
Programmer I Intern	Psychiatry	Wage	WS20375

PRINCIPAL DUTIES & RESPONSIBILITIES:

The primary purpose of this position is to work on the development of new applications under the guidance of the Penn State Hershey Applications (web) Development Group by participating in projects to address academic needs for the department. This position provides the opportunity to showcase your skills in development, maintenance, and support of several initiatives which may include e-commerce websites, electronic payment sites, and internal academic applications.

MINIMUM QUALIFICATIONS:

Education and Training: An individual pursuing a B.S. degree in Computer Science or similar discipline. Ideal candidate must have completed courses in object oriented programming, relational databases, as well as web development. Good communication skills, analytical, and problem solving skills are required. Candidate should be motivated and willing to learn in a fast paced work environment.

SHIFT:

This is a part-time position, approximately 30-40 hours per week throughout the summer with the possibility of part-time work throughout the school year.

TO APPLY:

Send 2 cover letters and resumes to College of Medicine, Office of Human Resources, Academic Support Building, Mail Code A570, 600 Centerview Drive, Hershey, PA 17033 or fax to (717) 531-5535.

THIS IS NOT A COMPLETE DESCRIPTION OF THE JOB.
